About Yoga Mat Freshener Spray

The product in Development is Yoga Mat Freshener Spray which is a natural spray for elimination of unpleasant smell from **Yogalates Mat**. To sanitize, use equal parts of water and the following oils: lavender, eucalyptus and tea tree oils; this spray also leaves the room smelling fresh.

Designed to be suitable for all kinds of **Yoga Mats**, where it is effectively shed for sweat, dirt and bacteria after each session. Quick to apply, simply give your mat a few sprays every time after use, this can prolong the use of the mat and your practice. And there is no need to worry about germs; all you do is spray it, wipe, and you get a brand new carpet the next time you step foot on it.
